

## 2. FIND AND COUNT -and remember the flags

### SQUARE 1

Find the big stone gate that stands before the front door of Nagu church. Write the year on the gate on the fish net and solve the puzzle.

### SQUARE 3

There are seals "living" in Nagu harbour. How many can you find?

### SQUARES 7 & 12

Look for the quay of Nagu yacht club (Nagu segelsällskap). There are numbers on both sides of the animals pictured on the gate. Write the numbers to the cairn stones and solve.

### SQUARE 11

Can you find sea horses on the sandy beach next to the harbour? Fill in the formula with the help of the sea horses.

$$\frac{\text{(red + blue) x all together}}{\text{silver + red + blue}} = \square$$

## 3. SAILING SAFELY

The waters of Finland are filled with countless rocks, but nowadays we are lucky have beacons that guide ships through the waters safely. It has been estimated that a third of all the beacons in the world can be found in Finnish waters.

### KARDINALMÄRKEN

### SQUARE 2

### SQUARE 4

### SQUARE 6
