

1. KOPPLA IHOP EN GUD MED HANS EGENSKAPER

A The god of peace, wealth, fertility, sun and rain. Rides into battle with his boar Gullinbursti. Has a sword that fights on its own.

B The god of fighting. A skilful skier and archer.

C The chief god and the god of war. Ravens "Thought" and "Memory" tell him what goes on in the World. Chooses the bravest warriors fallen in battle into his halls of Valhalla, where days are spent practicing Warcraft and evenings spent feasting.

D The god of the sea and the fertile coastline. Controls the winds and the waves. The father of Freyja and Freyr.

E The god of thunder. The strongest of the gods, but not very smart. Protects humans from giants with his hammer Mjöltnir.

F A shape-shifter and a handsome trickster. Runs in the air and over water with his winged shoes. Because of his nasty tricks, he is chained to a rock under a poison-dripping snake.

G Who's the prettiest of them all? She is. The goddess of love and beauty. Rides around the universe with a carriage pulled by cats. Her cloak is made of hawk feathers. Cries golden tears when her husband is away.

2. OLAV'S FAMILY TREE

Piece together Olav's family tree with the help of the clues.

HARALD GRENSKE

Olav's father Harald left Olav's mother alone, heavy with child, while he travelled to propose for the Queen of Sweden. Alas, the Queen was fed up with all her numerous suitors and had Harald and his men executed.

TRIBE OF FAIRHAIR

The family was named after Harald Fairhair. Harald decided not to cut his hair before he became the ruler of the whole Norway. For ten years his hair grew, and Harald was named Fairhair.

FREYR

A god

HARALD FAIRHAIR

The founder and first King of Norway. Olav's grandfather. Harald unified Norway to marry the woman he loved.

TRIBE OF YNGLINGS

A royal family, which was believed to descend straight from the God Freyr.

3. SHAPE-SHIFTER

Loki is a skillful shapeshifter, and can turn into almost anything.

Draw Loki taking turns. The first one draws the head, the second one draws the torso, and so on, continuing to the middle and the feet.
