The World of the Vikings exists around a giant ash tree. The gods live in the canopy, the humans in the middle, and the dwarves under the roots. Every day, gods hold a meeting at the foot of the tree.

1. GIANT TREE

- 1. Find a giant tree, under which you can hold your own meeting.

Draw the tree's leaf into this box.

2. HOLY NUMBER 3

- 2. Number 3 was the holy number of the Vikings.

1. Start the meeting by clapping your hands 3 times and saying three times "Welcome!"
2. Search for 3 dark pebbles and 3 light pebbles for each participant.
3. Vote for three different things (e.g. Shall we sit on air balloons tomorrow?) Take a pebble in your fist. A light pebble means YES, a dark pebble NO. Reveal your pebbles at the same time and collect the pebbles.

3. SPELL

Even gods quarrel, and may then curse each other upside down.

With your friend, think of songs that mention an animal. If nothing comes to mind, first drop down on your knees, then sit and finally lie down. The one, who lies down first, has lost the quarrel.

4. BABBLE IN CODE LANGUAGE

Sometimes gods want to talk in peace, so that no one else understands them.

Talk in code language! In i-language all the vowels in a word change into the letter i.

E.g.

PEBBLE = PIBBLI

FLOWER = FLIWR

CODE LANGUAGE = CIDI LINGIIGI

Also try O-language and U-language.

5. HEALER'S HERBS

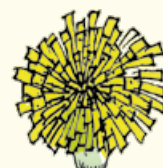

Eir is the best healer of the gods.

She can even bring the dead back to life. The Goddess is running out of herbs. Help Eir and search these plants.

DANDELION

"lion's tooth, piss-in-bed, puffball"

Its flowers make dandelion honey.

GREATER PLANTAIN

The wound-healing "iron leaf" and "plaster leaf".

OAK

The tree of the thunder God Thor. Its bark helps with foot sweat.
